

Life and Times of Peter Cooper

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1886 edition. Excerpt: .at the price he had oifered, from iron. running directly from the blast furnace, there would be a great saving of expense, a saving of something like one-quarter of the cost, which would amount to several hundred thousand dollars for the pipes required. As the municipal authorities finally coincided with me, I made it my business, as fast as the pipes began to arrive, to be very particular that a process of testing the strength of each pipe should be made, to be sure that it was perfect. This was done by closing the ends of each pipe, and then bringing hydraulic pressure to bear, equal to three hundred pounds to every square inch: thus no weak or imperfect pipe was allowed to pass into use. The wisdom of that process of testing has been fully exemplified and continued in practice, so that we have had comparatively little trouble from the bursting of pipes. The next great difficulty we had to contend with was to secure a process by which all the hydrants should be so constructed that they could be conveniently drained of all their water, so that when wanted they would not be found frozen in winter. Various projects were offered, but it was some time before we could find one free from all kinds of objections. It has often been suggested that we could use salt water, which is so abundant all round our city, and many people have thought it...
