Hot Key Books. Paperback. Book Condition: new. BRAND NEW, The Dark City: The Last Apprentice, Imogen Rossi, Beyond La Luminosa lies a darker path. Only three weeks have passed since the treacherous Filpepi and the Baron tried to depose Duchess Catriona, and although they seem to have disappeared forever, Bianca can't stop worrying about where they might be and what lies beyond her old master's magical paintings. Her friends are still full of adventure though, and there is also the very important business of running di Lombardi's studio to attend to! But her new responsibilities as Head of the Royal Studios are hard, and she is puzzled by the strange messages di Lombardi still seems to be sending her from beyond the grave. What is the meaning of the medallion and magical paint mix he left her in his will? And why does she keep finding herself in a strange, yet completely familiar city at night? Why is she so at home there - and who is the beautiful lady who looks a lot like Bianca? Bianca will have to be at her plucky, bright and adventurous best if she wants to find the answers to all the mysteries lurking in the dark city of Oscurita.
