Reclamation has worked with the Standing Rock Sioux Tribe for almost 20 years on the development and operation of a rural water system to distribute water to about 16, 000 residents throughout the reservation. The tribe has prepared a final engineering report, which is the tribes plan for completing construction of the reservation-wide system. We have also been working with the tribe to construct a water supply system to deliver Missouri River water for the irrigation of 2, 380 acres of crop land. These projects are being designed and built, and in the case of the rural water system, operated and maintained by the tribe through contracts with Reclamation under Public Law 93 - 638. Reclamations work over the past year on the Standing Rock reservation focused on water supply intakes...
