In the first part on society, the author explained the Qur'anic viewpoint about society. Here in the second part, he discusses the problems of philosophy of history and enters into somewhat elaborate statement of the philosophy of historical materialism and criticism of its main doctrines. The third part of the book, which also relates to the problems of history, discusses Islam's philosophy of history in relation to the positions of other schools of thought. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shia School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
