Brand New Book ***** Print on Demand *****.Kris Hintz, independent college admissions consultant and founder of Position U 4 College LLC, has created a reflective guide for parents launching a teenager from high school to college. It is roadmap to help your teen thrive in high school, choose a college that is the right fit, communicate distinctive strengths in the college application, and enter college with independence and purpose. As a parent, Kris also offers personal observations about the emotional rites of passage that both parents and adolescents experience in the journey from high school to college. Her book shares practical ways that students can increase their chances of getting into wonderful colleges and universities that are the absolute best fits! I highly recommend this book. Truly a signi cant addition to the eld of college guides. Carol Fishman Cohen, co-author of...
