Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

The main characters of the story show different ways of dealing with that problem, but only the older waiter is able to present a satisfying solution. By establishing a haven for all desperate people who need a dignified place to dispel their fear, the old waiter has found his meaning in life and therefore, his way to combat his fear of nothingness. According to him, life does not need to be senseless and end in despair, as long as one keeps composure and protects one's own dignity and the dignity of others. 16 pp. Englisch.
