Brand New Book ***** Print on Demand *****.As a result of the aging of our population and the fact that Americans are living longer than ever before, more Americans are developing chronic illnesses that require long-term care, and we all face increasingly difficult challenges and more transitions in our lives than ever before. One of the most difficult transitions that Americans must face for themselves and their loved ones is the final move - a transition that is made by over 40 of the American population - the move to a nursing home. This book provides invaluable information and guidance to families dealing with the possibility of nursing home care and struggling to make the best decisions for themselves or their loved ones. If you're a Baby Boomer or older, this book also helps you gain the peace of mind of...
