

Rapid Infectious Diseases and Tropical Medicine

By Rachel Isba

Wiley-Blackwell. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 8.4in. x 5.3in. x 0.3in. Rapid Infectious Diseases is the fourth book to appear in the Rapid series. Each book is designed for short revision covering key facts in a simple and memorable fashion, using well-thought out mnemonics to aid recall. This new text provides students in the run-up to exams with a comprehensive review of possible causes for symptoms and conditions as well as the key facts of around 100 diseases, following the Rapid mnemonic. There will also be an appendix giving details of immunisations as well as a list of Further Reading and useful web sites. Clinical students working on Emergency Medicine and General Practice attachments will find this book extremely useful. It may also interest those planning electives abroad. Junior doctors and GPs will find this a handy resource for quick access to information on the symptoms and diseases they may encounter in the clinical setting. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
