## CRIMINAL ELEMENTS: TREACHEROUS NEIGHBORS

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A humorous story for all ages to read, especially young adults. This is a david and goliath tale. Highly visual humor similar to saturday night live or the old Buster Keaton style of physical as well as spoken whimsy. Remember Tom Sawyer or the movie home alone? This story involves a kid, but it s the kid in everyone. It s the story also of the lonely outsider type of kid. It is funny and fanciful and definitely off the wall crazy. A prank is defined as an amusing, playful, or sometimes malicious act. In the movie home alone a prank, or mischievous trick, was the only defence the kid had to save himself and his home. As the most famous filmmakers, Cecil B DeMille once said, give me the same but not the same. This book is not home alone but it s in the same spirit as home alone. This story is really about a good person fighting off a bad person with what little he has to work with. With no knife, no gun, no nothing it really comes down to wit against wit, and this is one of the wittiest stories you ll ever read. To taste the flavor of the story there are several locations where parts of the book may be reviewed. The Amazon or Smashwords websites, or on the authors website //.
