Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Stimulating - Insightful - Provocative A new look at both Biblical prophecy and human history Debate has raged for thousands of years over the applicability of the prophecies of Daniel and Revelation. This book takes a fresh look at both Daniel and Revelation, beginning with a comprehensive outline of the themes contained in these prophecies. Holding tightly to the Hebrew and Greek meanings extracted from the study of Interlinear texts, the author compares the messages revealed with a comprehensive examination of human history from the 18th Dynasty of Egypt until the present age. This book is a must read for those who want to better understand Daniel, Revelation and Church history. Author Bio: John Augustine Clauer.
