Wooden Boat Publications. Hardback. Book Condition: new. BRAND NEW, Line: Tying It Up, Tying It Down, Jan Adkins, This is a basic primer of using line, rope, twine, string and shoelaces. Think of it as an enjoyable course in making line work for you-tying up a hammock, tying down a tarpaulin, cleating down a dockline or lashing on a cartop canoe. As a gift for a line-challenged mate or a ready reference for your own bookshelf, this practical but beguiling how-to is a must-have. It is an essential introduction to the craft of cordage, illustrated in Adkins' stylish but clear detail, written with wit and enthusiasm.
