Street Life Publishers, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.August 28th, 1999 was the date twin brothers Carl and Kevin entered federal prison, the United States Penitentiary, Leavenworth, known to many as The Tombs. As so many others in the past, they, too, had tried their luck at dabbling in the lucrative drug trade. After a small misstep that led to a big fall, they found themselves faced with the mandatory minimum: 10 years hard time. November 18th, 2008, fed up with the system that held them hostage, they emerged from The Tombs. Now known to the world as Terror and Threat. Faced with one strike and too many close calls, they vow never to return, choosing to hold court in the streets. They are armed with a well thought-out plan and a favor owed to them by the nephew of a Columbian drug lord. Making good on his word, after their release they immediately form a team with an organizational structure that rivaled the once powerful Italian Mafia. Street Kingz is what they called themselves, and they are surrounded a tight-knit crew that includes a posse of lethal assassins. They set out to conquer every major city in the USA, leaving no doubt who is the king of the \$treet\$.
