Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Has the church been duped into believing a lie from the enemy (satan)? Is the church perpetuating satan s lie and spreading it to the point that it turns away the lost from wanting anything to do with Christianity? From the very beginning, satan has lied and twisted the Word of God to the point that we have a hard time recognizing the truth. The lie sounds so good, that we think it must be true. Doesn t it come straight from the Bible? In this short little book, I want to uncover some of the lies the enemy has used to deceive the church. We ll see if everything that sounds good to our ears is really coming from the Word of God or from satan pulling a veil over our eyes. I want to challenge the church to wake up from passivity and really delve into the Word of God so when we hear a lie, we will immediately recognize it. My prayer is that this little adventure through the Word will start your quest to seek God, know the Truth . and ultimately be set free from the lies of the enemy. (c)2012 Marcy Lemasters.
