## HELLRAISER - MOTHER JONES: AN HISTORICAL NOVEL

APS Publishing. Paperback. Book Condition: New. Paperback. 308 pages. Dimensions: 8.5in. x 5.5in. x 0.7in. This historical novel is as significant to the present as it is to the past. As a work of fiction, *Hellraiser Mother Jones: An Historical Novel* is a more intimate account of the iconoclastic life and times of Mary Harris Jones, who fought for the rights of the working class and against child labor from the Civil War to the Great Depression. When author Jerry Ash set out to write *Hellraiser*, he intended to simply gather into one book all that was known and unknown of the 65-year history of Mother Jones career, telling the story in a more intimate fashion. As the story unfolds, the reader is taken back in time to witness and learn the social, political and economic lessons of the dark side of the American Industrial Revolution. As it turns out, says Ash, Mother Jones used the novel to retell her story in a way that gives new perspective, not only to the economic inequalities of the past, but as seen today between the super rich and the working poor. A study in contrasts between the goals and objectives of capitalism and democracy, the book is a journey through some of the most dramatic episodes of American history from post Civil War insurrections and riots, to the historic Chicago Fire and the rise of big business and big labor. Telling the story through Mother Jones required me to get inside her skin, climb inside her body, see through her eyes, think through her mind, feel through her heart. The novel is an action-packed story being told by Mother Jones during the five months she spends in jail in the southern coalfields of West Virginia, where she faces charges of murder before a...
