## THE READING LESSON: TEACH YOUR CHILD TO READ IN 20 EASY LESSONS

MOUNTCASTLE CO, United States, 2002. Paperback. Book Condition: New. 2nd Second Edition, Second ed.. 269 x 211 mm. Language: English . Brand New Book. The Reading Lesson is a bestselling program that teaches young children to read in 20 easy lessons. It is designed as a step-by-step course for parents who want to teach their young children to read at home. The teaching method is based on phonics and key-word recognition, and with its innovative and guided approach, the 20 step-by-step lessons provide an easy-to-follow recipe for teaching children to read. Developed by pediatrician Michael Levin, the program has also been used successfully for children with disabilities. How do I use the Reading Lesson? There are twenty lessons in this book. Each lesson takes about two weeks to complete (with about 15 minutes of study per day). Before starting a lesson, we suggest that you read the instructions for that lesson. Each lesson begins with an introduction and a description of how to proceed. For example, lesson two introduces the letters m, d, and r. At the beginning of the lesson, there is an introduction with some words of advice and thoughts on how to go through the sounds of those letters and how to read them in words. Each lesson consists of words, exercises and short stories. When reading the words, ask the child to tell you what the word means. Before you read the story, read the title and talk a little bit about the content of the story. Approximately 300 key words form the basis of reading skills in this course. Each lesson introduces a set of key words. Your child should learn them well before you proceed to the next lesson, since these words are used in later lessons. For many young readers (including children who are familiar with the...
