Cumberland House Publishing. Paperback / softback. Book Condition: new. BRAND NEW, I Remember Vince Lombardi: Personal Memories of and Testimonials to Football's First Super Bowl Championship Coach as Told by the People and Players Who Knew Him, Mike Towle, Of all the great National Football League coaches, none have enjoyed the respect and reputation that Vince Lombardi earned during his tenure as head coach of the Green Bay Packers. Both feared and beloved by players and peers, Lombardi coached the Packers to five NFL championships and victories in the first two Super Bowls ever played. Over ten seasons, his Green Bay teams compiled a remarkable 98-30-4 record, although it was Lombardi's relentless, uncompromising tactics and values that defined him and his career more than the victories themselves. I Remember Vince Lombardi takes readers back to a bygone era when professional football was a game of guts, grit, and spit. Lombardi embodied greatness, and he demanded it from his staff and players. In this book, dozens of people who knew him recount their favorite memories of him in their own words, including former players, assistant coaches, opponents, and league officials. What they reveal is a man who was a genuine legend on and off the field. Included are his days as an assistant coach for the New York Giants with colleague Tom Landry, the "Ice Bowl" NFL title game of 1966, his two Super Bowl victories, his sudden departure from the Packers, and his short-lived position as coach of the Washington Redskins. Many aspects of his personal and professional lives are covered, offering a refreshing look at one of football's greatest icons.
