EASTERN SPIRITUALITY FOR MODERN LIFE: EXPLORING BUDDHISM, HINDUISM, TAOISM AND TANTRA

Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2004. Softcover. Book Condition: New. First Edition. Each religion might very well see a separate aspect of truth and be blind to the others. It is clear that our shrinking world requires us to step outside of our separatist ways and seek to better understand each other. It is in this spirit that this book is written. We are all here together there are no good religious nor bad religious just different religious-each having their own particular vantage point of the great way. To walk the Eastern path is to embrace mystery to accept that there are subtle realms of consciousness beyond the rational mind. Eastern spirituality for modern life helps people to explore the philosophical underpinnings of Buddhism, Hinduism, Taoism, and tantra. Printed Pages: 218.
