Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The fact that God spoke to me through Shana is unbelievable. That He should mentor me about love in the context of the difference between loving a woman and loving God, affronts my Bible belt Christian notions about God. His knowledge of my innermost thoughts and things I agreed to prior to being born into this lifetime is shocking. My human mind, my ego, only became aware of these things after God spoke of them to me. Obviously, God and the spirit of God within me, know things about my current lifetime that I, my ego, does not. My role in the second coming, for instance, in the coming of God's daughter Isabella, was completely unknown to me until I began working with Shana and her channeling of God and his angels and Archangels.
