

Gloucester: One of the First Chapters of the Commonwealth of Virginia (Classic Reprint)

Filesize: 6.79 MB

Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

GLOUCESTER: ONE OF THE FIRST CHAPTERS OF THE COMMONWEALTH OF VIRGINIA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Gloucester: One of the First Chapters of the Commonwealth of Virginia When one attempts the early history of a colonial county he is overcome by a feeling of helplessness. A few early records, a legend or two, stand like silent watchtowers, around which he must weave his own suppositions, the hearsays of his childhood, and a warrantable induction from existing facts. This sketch applies to Gloucester and its dear people, who from one border line to the other are my brethren. To them all without exception - to the road-side farmer who hoes his stumpy corn-field; to the jolly fisherman, whose conch-shell trumpet heralds fish along the high-way; to the judge upon his bench and the parson in his pulpit, and to Gloucester's sons and daughters scattered far and near - I dedicate this sketch. Chesapeake bay, in boisterous friendliness, knocks at Gloucester's south-eastern door; the capricious Mock lack hugs its eastern border, sending inland the landlocked North, the broad-sweeping Ware, and the beautiful Severn; while the York, but a lesser bay, born of the hesapeake, washes it south-westerly, cutting it apart com York county and James City. In the year 1631 the vast territory of Virginia is divided into eight shires; one of these shires is Pamaunee. Out of this Pamaunkeeshire Gloucester was carved. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
