Story Merchant, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When the SWAT team came for him, Evan Loewenstein was living every man s fantasy. He slept with as many beautiful women as he wanted, consistently gambled away thousands of dollars on single hands of blackjack, and ran a business empire worth millions. He was accused of human trafficking and organized crime--of being a kingpin. But Evan wasn t a monster. He was a rock-solid businessman with a rock star s lifestyle, and he was devoted to his family. Still, the police seized his multi-million fortune and dragged him through the courts. His best friends turned on him, and the bankers who funded his businesses foreclosed on his properties. With a combination of Charlie Sheen s recklessness and Warren Buffet s business acumen, Evan fills the pages of Sex, Money and Betrayal with explosive stories and sage life lessons. He also speaks about his meteoric rise and fall: -His business skill made him a millionaire by the age of twenty-five. -The Houston Chronicle crucified him--but later had to retract much of their story. -He is a single father and has raised his children with care and love--even while indulging in his gambling and sex addictions. Evan was accused of many crimes, but was only found guilty of one; engaging in organized crime.
