Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, The Day is Dark: v. 13, Peter Lancett, One of a series of reading books for children and young adults aged 11 and over who are struggling to read. Dark Man is a fiction series for older children and young adults who have a reading age of approximately 5 to 8. Each book features the character Dark Man, a shadowy, brooding loner who shuns society, living in the shadows. Recruited to play a part in a secret, cataclysmic struggle between good and evil, his continued mission is to seek out an artefact, a Golden Cup, which can channel limitless power and energy. Opposed to him, and also seeking to find this cup of power, is a sinister and corrupt organisation, The Shadow Masters. The book has a strong plot to engage the reader, however reluctant, and features dark evocative illustrations. The simple, carefully written text (under 400 words) focuses on the most common words, providing access for even the poorest readers. In The Day is Dark the Dark Man must help a girl he has met before. She is held by the Shadow Masters, in a place where day has become night. When he finds her, the Dark Man discovers that the darkness is alive! Software and teacher's support materials are also available.
